**Lexington, Kentucky**

Dan Pride has been involved in the Thoroughbred industry for 15 years having worked at Vinery, Taylor Made, Darley and is currently COO of Fasig Tipton.

Pride brings to the Breeders' Cup his experience in the thoroughbred industry and expects to represent the interests of the breeding and racing community as a Trustee. He believes it is important to maintain the history of Breeders' Cup while moving the organization forward by exploring opportunities that will provide the potential for growth for all constituents.

***Personal Statement:***

*My experience in the thoroughbred industry gives me a good perspective of the breeders whom this board represents.*
