## BREEDERS' CUP HORSEMEN

There are several **IMPORTANT** procedures for the 2024 Breeders' Cup World Championships (BCWC) at Del Mar that we draw your attention to:

---

### **Breeders' Cup Condition of Integrity**

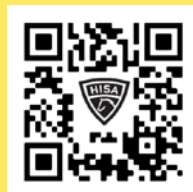

1. If any connection of a pre-entered horse has been notified by a regulatory body, racetrack or racing association (i) about a pending or potential anti-doping or controlled medication violation involving the connection, or (ii) that such connection is currently suspended, banned, ejected, or denied from participating in racing in its jurisdiction or facility, such connection must immediately report the same to Breeders' Cup.
2. BCL may, in its sole and absolute discretion, declare ineligible any horse in any BCWC race if any connection (e.g., owner, trainer, jockey) of such horse has engaged in any conduct that is unlawful, unethical or may otherwise compromise the integrity or reputation of the BCWC.

### **HISA**

All participants must be registered with the Horseracing Integrity and Safety Authority (HISA) prior to entry.

For more information, visit [www.hisaus.org](http://www.hisaus.org).

All participants must comply with current HISA rules and regulations. The rules and regulations that comprise HISA's Racetrack Safety Program were first approved by the Federal Trade Commission (FTC) prior to their implementation on July 1, 2022. HISA's Anti-Doping and Medication Control (ADMC) rules originally took effect May 22, 2023.

All references to the rules of the California Horse Racing Board ("CHRB") or to rules or regulations of the Horseracing Integrity and Safety Authority ("Authority") (the "HISA Rules") (collectively, the CHRB Rules and the HISA Rules shall be referred to as the "Regulation(s)"), as they may be hereafter amended or modified, are not meant to replace or modify such official Regulations in any way, but rather to serve as a reference, and such Regulations are expressly incorporated by this reference. Except in the case of House Rules, if there is any discrepancy between the information set forth below and any applicable Regulation, the rules of the CHRB or the Authority, as the case may be, shall govern.

# IMPORTANT

## **MANDATORY JOG UP EXAM BEFORE ENTERING THE RACETRACK**

Beginning Friday, October 25 through Thursday, October 31, all Breeders' Cup Championship runners and all runners in the undercard on Friday, November 1 and Saturday, November 2 must enter the racetrack through the **7 Furlong Chute.**

No horses may access the racetrack by going through the paddock during the training hours of 5:30 am - 9:30 am.

This jog up exam is just an observation. You will not be asked to stop or dismount. Jog through the indicated lane and continue with your normal exercise. All runners must be wearing their Breeders' Cup provided saddle towels during morning training.

Extended paddock schooling hours 10:00 am - 11:00 am beginning Saturday, October 26 through Wednesday, October 30 for both halter schooling and with riders up. On Thursday, October 31, paddock will be open to horses exiting the racetrack between 5:30 am - 9:30 am and will reopen between 10:00 am - 10:30 am only by entering through the paddock horse path.

No paddock schooling on Friday, November 1 or Saturday, November 2.

A map of the Mandatory Jog Up Exam location is below.

## **PRIOR TO/UPON ARRIVAL**

Please review the enhanced veterinary exam protocols by scanning the QR Code on page 118 of this guide.

1. Per CHRB 1846.1. Veterinary Records for Horses Shipping into an Inclosure to Race or to Work for Removal from Veterinarian's List.

(a) If a horse has not been stabled at a facility under the jurisdiction of the Board for 30 days prior to a race, or for 30 days prior to working off the Veterinarian's List, the trainer shall submit to the official veterinarian, using a form prescribed by the Board, the previous 30-day veterinary treatment record within 24 hours of arriving at a licensed inclosure and before any scheduled race or workout. The veterinary treatment record shall include: (1) the name and identification number of the horse treated, (2) any medication, drug, substance, diagnostics, or procedure administered or prescribed by a veterinarian during the previous 30 days, (3) the name of the prescribing or treating veterinarian, (4) the dates of examinations by the treating veterinarian, and (5) the type of housing (stall, pen, pasture). This treatment record should be sent to the Official Veterinarian by e-mail: [ovsocaltb@yahoo.com](mailto:ovsocaltb@yahoo.com) or via EquiTAPS. Trainers based outside of California need to download their horse(s) 30 day treatment record from the HISA portal and submit it to the CHRB Official Veterinarian.

2. Clenbuterol is a banned substance (i) unless it is prescribed to a Covered Horse for a duration not to exceed 30 days in a 6-month period in the context of a valid veterinarian-client-patient relationship, and (ii) following administration of clenbuterol, the Covered Horse is placed on the Veterinarian's List for a minimum of 21 days and an official workout with clearance testing (blood AND urine) are required by HIWU to re-establish eligibility to race. Official Workout and Clearance Testing (blood and urine) required to re-establish eligibility to race. Dosing specification: 0.8 mcg/kg orally twice daily for up to 30 days total in a 6 month period.

3. All intra-articular injections are prohibited within 14 days prior to Post time (or a Vets' List workout), and within 7 days prior to any Timed and Reported Workout. For corticosteroid administrations in fetlock joints, that standdown time is increased to 14 days for a Timed and Reported Workout and 30 days prior to Post time (or a Vets' List workout). Per CHRB regulations, for any horse that has had this procedure done in the state of California, the attending veterinarian must perform diagnostic imaging within seven (7) days prior to an IA injection of a corticosteroid into a high motion joint (knees or ankles). Please see page 101 (Medication, Testing & Safety) for more information.

4. The administration of nonsteroidal Anti-Inflammatory Drugs (NSAIDs) and corticosteroids is prohibited within 48 hours (restricted administration time) prior to Post Time or Vet's List Workouts. The presence of NSAIDs, corticosteroids, analgesics and local anesthetics are prohibited in Post-Work samples. If more than one NSAID or more than one corticosteroid is detected in a Post Work or Post Race sample of a Covered Horse, each NSAID and each corticosteroid above the applicable Screening Limit constitutes a Controlled Medication Rule Violation. If one or more NSAID or one or more corticosteroid is detected in a Post Work or Post Race sample of a Covered Horse, but each are below the applicable Screening Limits, they will together constitute a single Controlled Medication Rule Violation. Please refer to Withdrawal Guidance provided by the RMTC on page 107.

5. All horses entered, including undercard horses, on November 1 and 2 are prohibited from receiving Lasix (furosemide) within 48 hours of their respective post-time.
6. All horses running Nov. 1 and Nov. 2 **MUST** request **permission for a timed workout** from Del Mar or Santa Anita on any of the California surfaces and **the runner must have an attending veterinarian exam during the three days prior to the work**. This request must be submitted to the Breeders' Cup Racing Office **BY NOON TWO DAYS BEFORE** the intended work to [racing@breederscup.com](mailto:racing@breederscup.com) or if at Santa Anita to [workouts@santaanita.com](mailto:workouts@santaanita.com). (Form on page 141).
7. All runners **MUST** have an **entry exam** from their attending veterinarian stating that the horse is fit to compete (form on page 140). This form must be submitted to [ovsocaltb@yahoo.com](mailto:ovsocaltb@yahoo.com) or via EquiTAPS **prior** to ENTRY at 10:00 am (PDT) on Monday, October 28.
8. All trainers of horses entered to race on November 1 and 2 at Del Mar must have on file prior to arrival at Del Mar, a signed stall application which may be found on the Del Mar website, [www.dmtc.com](http://www.dmtc.com), under racing. Also, trainers must have a signed Trainer's Agreement, which will be e-mailed to participating trainers.
9. All international runners must arrive at Del Mar no later than 10:00 pm (PDT) on Sunday, October 27.
10. All domestic BCWC runners must arrive at Del Mar no later than 11:00 am (PDT) on Tuesday, October 29 for security check in.
11. All runners must pass a mandatory jog-up exam by a BCWC veterinarian in the designated jogging lane prior to being allowed on any racing surface to train. See page A2.

### **SALES FLIGHT**

**Breeders' Cup is pleased to offer the opportunity to fly privately on Saturday evening, November 2, from San Diego, CA (SAN) to Lexington, KY (LEX).**

**This exclusive offer allows for the purchase of individual seats on a Breeders' Cup chartered aircraft.**

**For details of the flight, turn to the inside back cover of this guide. Contact Claire Watts for more information: [cwatts@breederscup.com](mailto:cwatts@breederscup.com), (859) 422-2831.**
