Please remember that we are all responsible for taking care of the property. Some important reminders for your employees include:

- **FACILITY** Please do not disconnect or remove any Keeneland installed property – this includes but is not limited to electric lines, data lines, plumbing fixtures, televisions, etc.
- Unvented heaters, hot plates, open flames are not permitted in the barns or tack rooms. Smoking is also prohibited.
- **BATHROOM** Please use appropriate bathroom etiquette. This means all trash must be placed in trash receptacles. All human waste should go in toilets – not floors, walls, stalls or trash cans.
- **MUCK** Please place muck in the appropriate muck bins – straw in straw pits and shavings in shavings pits. Do not throw trash into the muck. Again – all trash should be place in trash receptacles.
