November 1-2, 2019 Breeders' Cup World Championships Rules and Regulations

1. Pre-entry and entry fees are accepted subject to approval by Breeders' Cup Limited (BCL), in BCL's sole discretion. The propriety of the amount of the enclosed fee will be determined by BCL and pre-entry and entry fees if determined to be other than that which accompanies this document shall be paid in full before a horse is permitted to start in a Breeders' Cup World Championships race. Pre-entry and entry fees will not be added to purses but will become the property of BCL. Breeders' Cup World Championships purses will be distributed in accordance with the information as set forth on pages 19-32 of the 2019 Breeders' Cup Horsemen's Information Guide, which information is incorporated herein, and in accordance with applicable state law.
2. BCL may refuse the pre-entry or subsequent entry of any horse if, in BCL's sole discretion, for any reason, including, without limitation, its association with any connection (e.g., owner, trainer, jockey) of such horse has engaged in, or become the subject of a regulatory or law enforcement inquiry or action alleging, conduct that is unlawful, unethical or may otherwise compromise the integrity of the Breeders' Cup World Championships.
3. Horses which finish first through fourth in any Breeders' Cup World Championships race will earn a foal nominator award that will be paid to the person who nominated the horse. A stallion nominator award will be paid to the person who nominated the sire of the horse to Breeders' Cup. Stallion nominator awards will be paid to nominators under the International Breeders' Cup program in accordance with the rules of that program. Nomination in this sense means registering the horse or sire in the Breeders' Cup program and does not mean pre-entry or entry in Breeders' Cup World Championships races. Nominator awards shall not be transferable without authorization of BCL. Purses and nominator awards shall be distributed after certification that the purse is distributable. Purses shall be distributed by the host track and nominator awards shall be distributed by BCL.
4. Pre-entry and entry in Breeders' Cup World Championships races are received only upon the condition of compliance with the rules and regulations governing Thoroughbred horse races adopted by the state where the races are run, the rules and regulations of the track, the rules and regulations of BCL and compliance with any decision of the state racing officials and/or officers of the track and/or BCL, regarding the interpretation and application of their respective rules and regulations. BCL shall have no liability for the actions of any officials or employees of any such track or for any matter under the control of such track, its officials or employees. Purses shall be payable to the rightful parties recognized as such by state racing officials.
5. A horse entered in a Breeders' Cup World Championships race may be scratched by authorized racing officials if (i) such horse's equipment malfunctions, is damaged or lost and cannot be remedied within sufficient time, in the judgment of authorized racing officials, to allow the race in which such horse is entered to start at post time for such race or (ii) if any other unavoidable event occurs with respect to a horse entered in a Breeders' Cup World Championships race, or to its jockey, which cannot be remedied within sufficient time, in the judgment of authorized racing officials, to allow the race in which such horse or jockey is scheduled to participate to start at post time for such race. In the event of a scratch under such circumstances, the pre-entry fee and entry fee due at entry which were paid in respect of such horse may, in the discretion of BCL, be refunded.
6. Breeders' Cup World Championships races are limited to 14 starters, and in some cases 12 starters. A horse may not double-enter Breeders' Cup World Championships races. Entries will be selected in accordance with the Breeders' Cup Field Selection System or by such other method as BCL may determine in its sole discretion. The Breeders' Cup Field Selection System is set forth on pages 33-34 of the 2019 Breeders' Cup Horsemen's Information Guide and is incorporated herein. BCL reserves the right to transfer any turf race to the main course and to modify the distance of any race to accommodate the track selected for every race. BCL reserves the right to cancel any, or all, Breeders' Cup World Championships races without notice prior to the actual running thereof, without liability, except for the return of pre-entry and entry fees. Entries must satisfy the minimum entry qualifications of BCL as set forth on page 17 of the Breeders' Cup Horsemen's Information Guide and incorporated herein.
7. The California Horse Racing Board (CHRB) conducts out-of-competition (OOC) testing of horses under the CHRB's jurisdiction and entered to race. OOC testing may be conducted by the CHRB, or other racing regulatory authorities designated by CHRB, at any time. Breeders' Cup pre-entry is considered entry under the CHRB regulations and horses must be timely produced if testing is requested. Any horse that tests positive for prohibited substances listed in the CHRB regulations may be subject to regulatory action. See page 99 of the 2019 Horsemen's Information Guide. Owners of horses that are pre-entered agree to notify BCL within three days if they receive notification of any positive drug finding from the CHRB or any regulatory authority and owners consent to the disclosure of such test results to BCL. If notification is not made within three days, BCL may refuse pre-entry of the horse. In addition, BCL will be conducting OOC testing on 2019 Challenge winners and other possible starters prior to the Breeders' Cup World Championships. This testing is separate from what the CHRB may conduct. A horse may be prevented from entering unless the owner and trainer comply with any pre-race testing request. A horse testing positive for anabolic steroids or any other prohibited substance described under the ARCI prohibited substance list during the six months prior to the Breeders' Cup World Championships will be prohibited from entering the Breeders' Cup World Championships in the same calendar year. See page 89 of the Horsemen's Information Guide.
8. Breeders' Cup Prohibited Substance Rule and Convicted Trainers Rule are in effect. Please refer to page 88 of the 2019 Horsemen's Information Guide for these rules which are incorporated herein.
9. In making any application for participation in Thoroughbred racing, it is understood that an investigation may be made by the appropriate authority as to the character, reputation, mode of living and financial standing of the owner(s), which investigation may involve interviews with family, personal or business acquaintances.
10. Owner hereby expressly and irrevocably grants BCL the exclusive right to use, in connection with the promotion of the Breeders' Cup program, the name and likeness of the Owner, any horse pre-entered, entered or nominated and of any co-owners, jockeys, trainers, colors, logos, silks and any other associated or identifying characteristics as well as any other matter relating to the participation of the horse in the Breeders' Cup program. Promotion by BCL may include, without limitation, telecasting, broadcasting, photographing and/or recording in any manner the races which are a part of the Breeders' Cup program and the activities incident to them, and broadcasting, exhibiting and/or exploiting the same by any means now or hereafter known, including, without limitation, licensing such rights to others for uses approved by BCL. Owner hereby expressly, irrevocably and perpetually waives on his behalf and on behalf of all Owner Parties any and all rights any of them may have in connection with any matter referred to in this paragraph, including, without limitation, any claim to invasion of the right to privacy, the right of publicity, for misappropriation, for infringement of trademark, trade dress and other intellectual property rights, or for any remuneration therefor. Upon demand, Owner shall cause any of the Owner Parties to deliver releases to BCL permitting it to use and exhibit such material. Owner Parties understand and agree that BCL reserves the right to use names, trademarks, service marks, copyrights, symbols, logos, slogans, results, still and motion pictures, audio reports, trailers, promos and other identifying characteristics relating to BCL and the Breeders' Cup program and that any such use by Owner Parties of any of them is prohibited without the express consent of BCL. BCL reserves all rights to advertise the Breeders' Cup program in any manner deemed appropriate by BCL. Neither Owners nor trainers shall display commercial advertising, before, during or after the Breeders' Cup World Championships in which the horse is entered without prior approval of BCL. Jockeys shall not display commercial advertising, before, during or after the Breeders' Cup World Championships race in which the horse is entered except in accordance with the jockey advertising rules in effect for the Breeders' Cup World Championships and approved by the Stewards. Please refer to the jockey advertising rules set for on page 86 of the Horsemen's Information Guide.
11. All claims and objections arising out of the application or interpretation of any rules or conditions of BCL, except for disputes regarding BCL's Prohibited Substance Rule or Convicted Trainers Rule, shall be decided solely by BCL in its sole discretion. Information regarding the Appeals Procedure for BCL shall be furnished to any person submitting a written request for such information to Breeders' Cup Limited, Attn: Appeals Board, 215 W. Main St., Suite 250, Lexington, Kentucky 40507. Any person wishing to object to any action or decision by BCL in the application of its rules or conditions must, within thirty (30) days of being advised of such action or decision, submit to the Appeals Board a written objection in compliance with the Appeals Procedure and shall be entitled to an oral hearing upon making a written demand as set forth in the Appeals Procedure. The Appeals Procedure shall not be applicable to matters arising with respect to the field selection for the Breeders' Cup World Championships races. All matters concerning field selection are decided by BCL in its sole discretion. Owner agrees that any dispute with BCL regarding the BCL Prohibited Substance Rule or Convicted Trainers Rule shall, following the exhaustion of all administrative remedies available under the laws and regulations of the applicable state in which the BCL races are conducted, be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and the award rendered by the arbitrator(s) shall be recognized by Owner and BCL and judgment thereon may be rendered in any court having jurisdiction thereof. BCL reserves the right to waive or modify its rules and regulations on a case by case basis at any time. Any waiver, failure to enforce or modification by BCL of any of the terms and conditions of the Horsemen's Information Guide at any time shall not in any way affect, limit, or waive BCL's right thereafter to enforce and compel strict compliance with every term and condition of the Horsemen's Information Guide.
12. Owner agrees to indemnify and hold harmless BCL (or if for any reason indemnification is not available, to contribute to BCL's losses), to the fullest extent permitted under the law, from and against any and all claims, damages, liabilities, losses, costs or expenses, including reasonable attorneys' fees (should BCL select its own counsel which it may do in its sole and absolute discretion), to which BCL may become subject or liable as a result of or arising out of directly or indirectly: (i) any action or conduct of any horses owned by or under the control or direction of Owner while on the race track premises, and (ii) any acts, or failure to act by the undersigned Owner, any Co-owners, or any of their agents, employees or invitees while on the race track premises; or (iii) any breach by owner of the terms and conditions contained herein.
13. Owner agrees that BCL may inspect and copy for its own use all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Owner's horse(s) nominated, pre-entered or entered in Breeders' Cup World Championships races.
14. Owner recognizes that participating in stabling, racing, training and related activities is inherently dangerous, and further recognizes that hazards and risks inherent in such activities may cause the injury or death. By participating in such activities, Owner assumes the risks associated therewith. In consideration of participating in stabling, racing, training and related activities associated with BCL, Owner hereby releases, waives against and discharges BCL, to the fullest extent permitted under the law, from any claims, losses, obligations, costs and expenses arising from or due to personal injuries or property damages of any kind or description to the person, property or horses owned or controlled by Owner occurring on the race track premises. Owner agrees that all risk of loss, injury, damage or destruction to persons or property, including but not limited to, the horses brought onto the race track premises by or at the direction of Owner, his agents or employees, arising from, due to, caused by, resulting from or in any way, directly or indirectly, related to any cause, including but not limited to accident, theft, fire or otherwise, whether or not caused by or contributed to by or related to any fault or negligence of BCL or the condition of the race track premises, are assumed in full by Owner, except as to acts or conditions caused by the intentional, willful, or reckless conduct of BCL. Owner agrees that the release and waiver and discharge provisions hereof are intended to be as broad and inclusive as permitted by the law. Owner further agrees that the foregoing provisions hereof regarding such release and waiver and discharge shall not be deemed waived or affected in any way by the fact that BCL does or does not, may or may not, in the future carry insurance coverage against claims where loss is caused by or resulting from damage or injury to property, persons and/or horses while competing on the race track, using the training tracks, stables, roads or any other facilities over the race track premises or in transit thereon.
15. Whenever the term "Owner" is used herein, it shall include the undersigned and all Owner Parties.
16. In consideration of BCL's agreement to pay the purses described hereinabove, Owner hereby consents to allow BCL and/or the host track to contract with any domestic or foreign licensed wagering entity for the purpose of accepting wagers on the Breeders' Cup World Championships races pursuant to the Interstate Horseracing Act of 1978, 15 U.S.C. sections 3001, et seq. and warrants that no third party or organization has or will be given the right or authority to assert any claim, demand or cause of action inconsistent with such consent.
17. The terms and provisions of the 2019 Breeders' Cup Horsemen's Information Guide are incorporated into these Rules and Regulations, except to the extent of any disagreement or inconsistency between them, in which event the express terms of these Rules and Regulations shall govern.
